1. Peel the bananas and place in a bowl. Then mash them with a fork to a coarse pulp. Mix the egg, oil, sugar and vanilla flavouring well with the bananas. Before the dough goes into the oven, fold in the flour, baking powder, bicarbonate of soda, salt and cinnamon. Now pour the smooth batter into a cake tin and bake at 180 °C for 30 minutes.
2. For the filling, mix the **mascarpone** with the sugar and vanilla flavouring to make a cream. Mix the milk and gelatine in a separate bowl and pour over the **mascarpone cream**. Finally, whisk everything well again and pour into the cake tin. Chill the cake for 3 hours.
3. For the decoration, we opted for bananas, blueberries, chopped pistachios, goji berries and a little caramel sauce as a flavour highlight.
