

Monika Nagl's recipe: Quick dessert with mascarpone and kiwi

Up to 15
min.

Simple

Vegetarian

Zubereitung

1. Peel the kiwis and mash them with a fork.
2. Set aside two small strawberries and cut the rest into small pieces.
3. Also set aside two amarettini and roughly crumble the remaining biscuits.
4. Whip the **mascarpone** with the cream and bourbon vanilla sugar until stiff and pour into a piping bag. Pipe about half of the mascarpone cream into the two glasses and arrange the kiwis on top.
5. Then layer the amarettini and strawberries on top and cover with the remaining mascarpone cream. Garnish with the reserved strawberries and amarettini.
